Emerald Plantation Holdings Limited

(Incorporated in the Cayman Islands with limited liabilities)

Appointment of Non-Executive Director

The Board of Directors of Emerald Plantation Holdings Limited (the “Company”) wish to advise its shareholders that Alta Fundamental Advisers LLC has recently acquired a material interest in the equity in the Company and has requested a seat on the Board of Directors of the Company.

Accordingly, on 3 May 2020, Mr. Jeremy Carton, Managing Partner at Alta Fundamental Advisers, was appointed as a non-executive director of the Company.

Alta Fundamental Advisers is a New York based private investment company which Mr. Carton co-founded in January 2013. Mr. Carton has spent his career focused on structuring transactions and investing in value-oriented, special situations, and event-driven opportunities across the capital structure.

Mr. Carton also has extensive experience in distressed investing with an emphasis on litigations and liquidations and has served on numerous committees. From 2006 – 2013, he was responsible for identifying, analyzing, structuring and trading investments as a senior analyst and Managing Director in the New York office of JMB Capital Partners, a Los Angeles-based asset management firm focused on credit, special situations and event-driven equity opportunities. From 2001 -2006, Mr. Carton was a Senior Analyst at Mellon HBV Alternative Strategies, where he was responsible for sourcing and managing investment opportunities for the firm’s U.S. event-driven fund.

Mr. Carton graduated with honors from Brown University with a B.A. in Organizational Behavior and Management and Public Policy (dual concentration).
